

# Sulphur Parks and Recreation

## youth sports resumption guide

*In accordance with CDC and the Louisiana Governor's guidelines, Sulphur Parks and Recreation will resume youth baseball and softball leagues with a few new safety and sanitary procedures.*

### Practice good hygiene in public

The CDC recommends the use of a face mask **in public settings**

Stop hand shakes and use **non-contact greeting and sportsmanship methods**

Clean hands regularly. **Bring handheld sanitizer if you can.**

**Avoid touching your face** and cover your coughs and sneezes

### What SPAR's doing...

**Disinfect public bathrooms** daily. Public is encouraged to make SPAR staff aware of unsanitary conditions.

**Disinfect dugouts** every day prior to games and between games

**Providing disinfectant** to every team for equipment sanitization.

**Revised scheduling** based on capacity of complexes. Some fields will be left open to decrease # of people in park.

### Social Distance Yourself at the Parks

SPAR encourages spectators at all youth sports events, but please remember the CDC's guideline to stay 6ft apart from others

### Personal Chairs

can be brought from home and placed anywhere along the sideline

**Dugouts are reserved for team and 1 coach ONLY.** Team mom and other coaches are asked to sit outside.

**Bleachers may not be available to spectators.**

### Stay home if...

- You are **feeling sick**
- You have a **sick family member** at home
- You are **exhibiting symptoms**

### SPAR understands...

If you or your family is not comfortable with playing youth sports this year, please let us know.

**Call the Sports Department at 527-2500.**

The Sports Department is looking at restructuring and consolidating teams so that teams can compete. **Please call and unregister your child if they will not be playing.**
